Pierre Solot

Pianist Pierre Solot dedicated his first solo album to the music of the Cuban virtuoso Ernesto Lecuona, released in 2024 on the Fuga Libera label (Outhere Music). He has received praise from the international press, highlighting the warmth, flamboyance, and thousand colors of his luminous piano playing. In addition to his concert activities, Pierre Solot is also a columnist, presenter, and producer of radio and television programs for RTBF (Concours Reine Elisabeth, La Table d'écoute, ...). On stage, he presents the concerts of the "Music Factory" series with the Royal Philharmonic Orchestra of Liège. Pierre Solot is also a theater actor: his production "Pourquoi Jessica a-t-elle quitté Brandon" has been a success for years.
